This is Yahweh's Calendar, the same Calendar that was used by all of Israel for thousands of years. The colors represent Set-Apart (Holy) days of the month. General Color Codes are: **Yellow = New Moon which is the 1<sup>st</sup> day of the Month.** **Blue = Shabbat (Sabbath), Green = Feast Days or High Days.** Specific Set-Apart Days are: The Beginning of the New Year is Abib 1<sup>st</sup>, New Moon Day, is april 20<sup>th</sup> on the Roman calendar. **Abib 14<sup>th</sup>** is Pesach (Passover). **Abib 15<sup>th</sup> – 21<sup>st</sup>** is Feast of Unleavened Bread. **The 7<sup>th</sup> Day of the Third Month** is Feast of Weeks or Shavuot (Pentecost). **The 1<sup>st</sup> Day of the 7<sup>th</sup> Month** is Blowing of Trumpets. **The 10<sup>th</sup> Day of the 7<sup>th</sup> Month** is The Day Atonement. **The 15<sup>th</sup> – 22<sup>nd</sup> of the 7<sup>th</sup> month** is Feast of Sukkot (Tabernacles). **The 25<sup>th</sup> of the 9<sup>th</sup> Month through the 2<sup>nd</sup> of the 10<sup>th</sup> month** is the Feast of Lights or Chanukah (Hanukah). **The 14<sup>th</sup> – 15<sup>th</sup> of the 12<sup>th</sup> Month** is Purim. At the end of a month there will be 29 or 30 days as shown and every 3 years a 13<sup>th</sup> month, Adar 2, will be shown at the bottom of the calendar. The last year with the 13<sup>th</sup> month was 2007-2008 Calendar. The moon has a 19 year cycle then it starts over. Look at the **calendar we use every day on the other side** and you can see what happens to Yahweh's Lunar Solar Calendar when it is inserted into the roman calendar. It becomes more complicated to read, but keep in mind it is the exact same calendar as you see above.

We have a Sabbath document that proves the Lunar-Solar calendar from Scripture that YHWH taught me over a period of **seven years.** This document will help people to understand the True Sabbath, You can find "The True Sabbath" at [WWW.YHRIM.COM](http://WWW.YHRIM.COM). **This is an Evangelistic Ministry, Shalom (peace) in the name of Yahshua.**
