

Shalom Yisrael,

Last evening at the going down of the sun (sunset) began the 1st Day of Aviv, which is the first month of Yahuahs Scriptural Year Calendar. Which today is also Rosh Hashanah/Head of the Year (new year) of 5995s.c.

We Have Much to Cover in this Newsletter, but first we want to put out some reminders about Pesach.

PREPARE FOR PESACH/PASSOVER:

This being Aviv 1st, we wanted to touch on Pesach/Passover again, which is now less than 2 weeks away, being Aviv 14th. Many people thought they kept Pesach Last Month, **however** the **Hysop** (which is required for Pesach – *Shemoth/Exodus 12:22*) is **just now** coming up, and is currently 2-3 inches tall. But it grows fast and will be ready by time Pesach arrives. It will be moving toward the end of its season by time the 14th day of the 2nd month, but will disappear very soon thereafter ~ *“Does not nature teach you”*.

Hopefully everyone/each group has by now located a lamb, which is **Scripturally Qualifying as a Pesach Lamb**. If you have not located one yet, you still have 10 days left to do so, as the Pesach Lamb must be obtained and put up on Aviv 10th, inspected for four days (11th, 12th, 13th, & 14th) and then killed on the 14th at the 9th Hour. **Which the 9th hour, Not 3pm.**

The "9th Hour" in the Word, is speaking about the '**9th sundial hour**'. What does this mean? Each and Every Day of every month, summer or winter etc, is divided into 12 sundial hours. **Why?** Because a sundial is divided into **12 equal parts** (*12 tribes of Yisrael*), and it uses the light from the sun to cast a shadow onto the sundials face. The shadow will go through All 12 divisions of the sundial from sunrise to sunset, **each and every day of the year.**

Which is why Yahushua ha Moshiach made the statement "**Are there not 12 hours in a Day?**" - **Yochanan/John 11:9**. He wasn't using or referring to the roman clock, which did not exist by the way. He was referring to the 12 Divisions of a sundial, which each division was called an "hour".

Additional Note: Why is there only "12 Hours" in a day?

Because a Sundial Can Not be used at night, since there is no sun to give its light. Therefore the reason why the Scriptures refers many times to the "4 Watches" of the night. Most times you will see verses stating it is "the third watch", or "the morning watch" or the 1st or 2nd watch.

*Although many are now trying to use the **Yochanan/John 11:9** to say "some people say you are only to keep the daylight portion, the night is nothing and is cast away" which is simply not true.*

*A Yom/Day Cycle contains both night and daytime portions, as it states in **Beresheeth/Genesis 1:5** "And the evening and the morning were **Yom/Day Echad/Two being made one in Unity**."*

So, if you do not have a sundial, how can you know when the '9th sundial hour' is? Well, currently the easiest way is to find out how many 'roman clock hours' there are in the daylight portion at your location on Aviv 14th, which on the roman calendar is april 24th. You can find this out at this website: <http://www.timeanddate.com/astronomy> In the box labeled as "Sun Rise & Sunset Times", just type in your city, or select the closest city to you in the drop down list. Then click "**Go**". That will take you to a page, which will list the sunrise and sunset times for the first 14 days of april. So you will have to click on the Green "**Show**" Button, and then it will refresh the page, and show you the entire month of april. At this point, just go down the list and find april 24th.

To the **right** of april 24th, it will show you the time for **sunrise**, to the **right** of that will be the time for **sunset**, then to the **right** of that is the **number of hours and minuets** in the "Length of Day" column. For the closest city to the location where **we** will be keeping Pesach, the number of 'clock hours' on Aviv 14th/april 24th is **13 hours and 31 minuets**.

So I will take this amount of time and divide it by 12. Which equals approx. (round up) 1 hour and 11 minuets. **What does this mean?** For each "**1 hour and 11 minuets**" on the **roman clock**, is equal to "**1 Sundial Hour**" for Aviv 14th.

So what roman clock time is the "9th Hour" for where we are keeping Pesach this year?

Sunrise on the roman clock for this location is around 6:42am. So I take that time (6:42am), and **add 1 hour and 11 minuets** to it, which gives me **7:53am**. Then I take that time and add **1 hour and 11 minuets** to it, which gives me **9:04am**. **I repeat this 9 times total**, which brings me to the **9th hour of the day** being right about **5:21pm** on the **roman clock**.

Now, with that being said, what everyone needs, and what we will all have to do in the near future with-out computers - the internet and such, is to construct a sundial and use it. Which will make reading the 9th hour much more simple and is how it should be done. **But** I wanted to include this for all of those who do not have a sundial this year, but still want to slay the lamb at the correct time, the 9th hour of the Day.

IS THIS IMPORTANT?

Well, some might say: *'it's not'*. But it was so important that Yahushua ha Moshiach, being the Pesach Lamb, waited on the stake **until the 9th Hour** before He gave up His Breath **allowed** His body to die. If it was not important for that to happen **at the exact hour the Pesach Lambs were slain**, don't you think He would have given up His Breath long before, instead of hanging on the stake? **[Is not Peach All About Remembering What Yahushua Did for His Bride Yisrael?](#)** ~ Selah/Pause & Think About It

BEING CEREMONIALLY CLEAN FOR PESACH:

Everyone must begin now to plan ahead and make sure that you do not touch a dead body, or go into any place which might house a dead body. **Such as:** hospitals, funeral homes, nursing homes, any place/building that might have a morgue, etc etc etc.

Why? Because if you touch a dead body, or enter a building containing a dead body, then you will be **'unclean'** (*Barmidbar/Numbers 19:14*) and must complete the 7 days of purification (*Barmidbar/Numbers 19*) **Before** Aviv 14th - Pesach/Passover Day.

If you have done either of these at anytime this year, and have Not already completed the 7 Days of Purification, then you must do so before Pesach.

If you are not able to complete the 7 Days of Purification before Aviv 14th, then you will have to go to the 2nd Month and the 14th Day to keep Pesach, as is written in **Barmidbar/Number 9**. Which in the present time, especially this year, it is difficult to find a group keeping Pesach at the correct time on Aviv 14th, let alone the 2nd month.

PREPERATION FOR CHAG MATZOTH/FEAST OF UNLEAVENED BREAD:

Beginning at Pesach, we also begin Chag Matzoth/Feast of Unleavened Bread. So we also wanted to mention this: **Don't go throwing everything out of your house with yeast or whatever ingredient, only to make the beast system rich afterward.**

If you don't yet understand what the Word is referring to when it speaks about Chametz/Leavening (*here's a hint: it's not what the vast majority of messianics nor the jewish are teaching/doing*) then please take the time to read and study this teaching which we wrote several years ago: **"Are we to Keep 7 or 8 Days of Chag Matzoth – And Scripturally What is Leavening?"** <http://www.yhrim.com/Are we to Keep 7 or 8 Days of Chag Matzoth 11-25-5992.pdf>

SIGNS OF THE TIMES:

Now that we have briefed everyone about Pesach & Chag Matzoth, we'll move onto other topics concerning the day and hour we are now in, and what is about to arrive.

We're going to speak about many different topics on the following pages, covering areas from: Current Events/Signs of the Times, near future events, 'Peace & Security/Safety', the "Two State Solution", the 'Abomination of Desolation', the Two End Time Witnesses, The Great Tribulation, and more.

We don't know how many more newsletters we will be able to put out after this. For one, we are preparing to move to our next location, which we will be there through Pesach, and then shortly afterward, we will be moving on to where Yahuah takes us.

We also don't know how long Yahuah will allow our websites, our facebook 'current event' page, emails, or other forms of communication, to remain active. We know that the government will at some point in the near future, shut all of these down. We know we have been monitored by 'them' for some time now, as Yahuah has allowed us to know this by many different ways, but we have not stopped nor 'curbed' our words, because of this. We know they are watching us because of what we have been teaching and sharing through our website, network, newsletters, over the past several years. Which shows from Scripture and exposes what they are preparing to now do.

WARNING: Some of the topics we will be discussing will be disturbing for some, especially if you have not heard what we have put out and taught over the years. But ignoring what is taking place, will Not change what is taking place and what they are about to do. If you are not prepared to Flee, You Must Do So the best you can NOW.

Document we published about 3 years ago: http://www.yhrim.com/PREPARE_TO_FLEE_KOL_YISRAEL_-_Updated_6-29-5993.pdf

CURRENT & NEAR FUTURE EVENTS:

There are so Many Events that are taking place, it is hard to put into words... literally. It would take books and books just to cover the events that are known about. But we don't have time to write books. Those will be written in the millennial reign, passed down to those generations, about what took place in the last days of mans rule.

Back about 7 or 8 years ago, as I was studying and working on the Restoration of the Scriptural Year, it was at that time that I began to see how Yahuah used Numbers so many times through the Word. Most common one's being **7, 8, 40, 70, & 120**. And many times that they were used, they are hidden to varying degrees of meaning.

When I gained this understanding, it was at this time, that I began to look more at how satan through the beast system/men, also uses his own numbers. As satan tries to counterfeit everything that Yahuah does, the calendar being one prime example among many others. After a short while, I understood that the common numbers of satan (using men), which some of you also know, are **9, 11, 23, 32, 33, 233, 322**, and others, like multiples of '11' such as **22, 33, 44, 55, 66, 77**, etc etc. Once I understood this, I began to notice that these numbers are Absolutely **Everywhere**, on TV, Movies, News, Dates, Times, Events, and more.

Now some will say '*you are only 'seeing them', because you are looking for them*'. Well, yes that's true, most people don't know how 'they' are putting their signature on things in this manner, which is their way of conveying messages. However, it is **no accident** that these numbers are shown or stated so often. Now, I'm not saying that EVERY instance that these numbers appear is their doing, but many times you will see multiple numbers pertaining to the same news report, event, dates/times, or etc. Or you can have their numbers accompanied with one or more of their many symbols, like the '**all seeing eye**', **pyramid, capstone, masonic 'square & compass'**, etc etc.

I wanted to briefly explain a little about that, because I'm haveing to bring in some of this in the paragraphs below.

Important: I'm going to divest into some information pertaining to topics which we haven't sent out about before. To explain this, we also will have to include some other information to give a background to what is being hidden in plain sight, but yet most people do not recognize, because they do not know what they are seeing. I know that some of you are aware of at least the basis of this, but many of you may not. I will try to keep this basic, but yet enough to explain some pertinent information.

HERE IS A POST THAT WE MADE ON OUR FACEBOOK PAGE ON THE PAGAN MARCH 19TH

Italicized Words inside of {} are additional comments I have added to the original post
A * notes a typo/grammar correction:

{Posted on our facebook page on the pagan march 19th 2013 ~Scriptural Date 8th Day - 13th Month - 5994sc}

"I posted earlier on another topic, to keep an eye on the pagan roman calendar date of march 22nd. I don't know what is going to occur, if it is an event, a law that is passed, or ...? But I have been thinking about that date, and just keeping an eye out for things that are centered around that date for some time now. Like the UN Arms Trade Treaty that is currently in progress right now (it started yesterday) and lasts until march 25th. *{John Kerry, who replaced Hilary as secretary of state, has on march 21stofficially committed the united states to the UN Arms Trade Treaty}* And* Like obama being in Israel. Along with* many other things.

But I now believe that date may be a 'signal start date' to the so called 'elite' for multiple reasons.

However, this being the 'start' date, means it is not that actual objective or end, but rather something which begins a countdown.

I now believe* that from this 'start date' of march 22nd, *they will count from march 22nd for 33 days. Which would bring them to april 24th on the pagan roman calendar this year.

However, april 24th has a much greater significance to those who know and understand the True Calendar.

As that is Aviv 14th *Pesach Day***.**

Irregardless if what I said above comes to mean anything or not:

We've been saying for *Years now, that next month/Aviv of 5995, to the 7th month, events are going to vastly increase and speed up, along with other things which we believe will also begin next month, which we have not yet released.

"Why this 6 month time period? (from Aviv to the 1st day of the 7th month)" you may ask

Because the 1st day of the 7th month of 5995sc is the day that the Great Tribulation begins.

***Which is Only 6 months and 3 weeks from right now.**

Which brings us back to why the True Calendar is so Important. If you do not understand the True Calendar, you will not only be Breaking All of YahuahsMoadim/Set-Apart Appointed Times.

But you will also be blind to when major important events and times will occur. Because you will be looking for them to occur at some other time. For example people who are keeping Pesach next week *{which was around march 26th 2013}*, who expect to see 'something' occur, but will not, because they are keeping Pesach a month to early. *{And since they have not 'seen anything', some are now saying "Since it did not happen by Pesach, we now have another year to prepare". This is False!}*

That blindness of the true time/year is one of the reasons that the pharisees and many others rejected Yahushua ha Moshiach when He came the first time.

But although they may also be blind to the times in this day and age, and again do not prepare and make themselves ready because of their blindness. Once these times arrive, and they enter the Great Tribulation, *{when the major troubles hit, and they haven't been 'raptured'}* they will know at that point exactly the Day that they are in, but it will be too late. "

~Selah & Shabbat Shalom

(Posted toward the ending of the 8th Day Shabbat of the 13th Month of 5994s.c.) {3 weeks ago}

Now, I will try to explain this a little further, and add a couple events which have taken place.

If you know and understand that the devil counterfeits **everything** that Yahuah does. And if you understand that Yahuah uses numbers, times, dates, etc many time through His Word. Like the numbers **7, 8, 40, 70, 120**, and more. **Then** you should also understand that the devil using men who call themselves the 'elite' also use a **counterfeit number system**, which also deals with dates, codes, messages, and many other things.

So where does the pagan date of March 22nd Come in at?

The so called '*number of the illuminati*' is the number **322**. It has been found on their skull and crossbones symbol (*like the one at right*), in letters and many other items, which go back to at the 1700's.

As a side note, the skull and cross bone symbol is an important symbol of both the masons and the illuminati. Along with the 'all seeing eye', and the pyramid, both of which are seen on the back of the dollar bill, and both of which are seen in the media on a constant basis, (like the logos of ABC, CBS, AOL, and to many others to begin to list) among other symbols.

In addition to the number 322:

Some of their Basic Main Prime numbers that they also use are:

3, 9, 11, 13, 23, & 33– *Keep these numbers in mind for the information below, and on a daily basis.*

322 put into date form is 3 (march 3rd month) 22nd or 3-22. This pagan year it was 3-22-13 or march 22nd 2013.

Now, to begin to put some content to this:

Some of you know about what is called “The Georgia Guide Stones”. *If you don't know, then google it or youtube.* Not going to go into a lot of info about them here, but basically they are 4 large stones, with a capstone, which list in 8 languages what are referred to as the “10 commandments of the New World Order”. One of which is that the Entire World

Population, must be maintained at **Only 500 Million**.

But another important note, is that they were erected on **march 22nd 1980** (seen right) or 3-22-80 (3+22+8=33)

This year, on **march 22nd 2013** (3-22-13) was the **33rd** anniversary of the Georgia guide stones.

Before anyone asks, No I did not watch the super bowl, I could care less about their roman chariot races used to entertain the masses. However I did see this occur, as I was on a person's blog page, as they were showing and discussing what was going on, because they and others thought a major event would occur at this year's superbowl. I thought they would send a message, but even I didn't expect them to do it so blatantly.

During this past Superbowl XLVII = 47 ($4+7=11$), which was played on february 3rd 2013 (2-3-13) Something unprecedented occurred, which had never happened at any superbowl before. **The lights/power went out, and the stadium went dark.**

This occurred in the 3rd Quarter, with **13:22** remaining on the clock. The lights were out for **33** minuets (*although some news stated 34 or 35 due to the time it takes the lights to warm up*) The game restarted at **9:11**pm Eastern Standard Time. (*Yes I know the superbowl was being played in Louisiana, and they are CST. However, after watching their numbers, times, and dates, for several years now, I know 'they' always convert time to the Eastern Standard Time Zone, where the UN and Whitehouse both dwell*)

So in this message, they have the numbers 3, 13, 322, 33, & 9:11. Keep these in mind, we're going to come back to this later.

On march 19th 2003, President George W. Bush announced the beginning of "Operation Iraqi Freedom", which pulled the US into a number of wars for the supposed purpose of 'freeing people from dictators'. That speech ended with "...It is a fight for the **security** of our nation and the **peace** of the world..."

Even though this speech was made on march 19th, it is important to note, that it was **not posted** to the White House.gov archives **until**, you guessed it, **march 22nd 2003**. This can still be found and seen in the white house.gov archives at this link: <http://georgewbush-whitehouse.archives.gov/news/releases/2003/03/20030322.html>

Also to note, that George W Bush and many other 'presidents', politicians, and other men of 'society' have been all been part of one group at Yale. The **Skull and Crossbones** fraternity. One photo of which is seen here, with George W. Bush noted.

Speaking of President Bush....George H.W. Bush, declared the '**New World Order**' in a speech given on **9-11-1990**. One of many Links: <http://www.youtube.com/watch?v=1yHNeeZQYE0> Which was exactly **11 Years** to the **day** before Airlines **Flight 11** hit the north tower of the world trade center in new york on **9-11-2001**

Now, we all know that Obama has visited Israel for the first time, since he was 'elected' appointed in 2008. When did he visit? From march 20th through **march 22nd (3-22)**

But before Obama got to Israel, we posted another article to our facebook page. It was an article titled: "**Israel ready for 'historic compromise' with Palestinians, Netanyahu says**" As noted in our facebook comments, the article didn't explain what the 'historic compromise' was, but we all know what Netanyahu was referring to. **Article here:** http://www.washingtonpost.com/world/middle-east/netanyahu-israel-ready-for-historic-compromise-with-palestinians/2013/03/18/d63b6ef0-8ffc-11e2-bdea-e32ad90da239_story.html

Then after Obama arrived, Obama and Netanyahu sat down for a television 'conversation', in which part of it, Netanyahu made the statement Quote:

"Finally, Mr. President, your visit gave us an opportunity to try to find a way to advance peace between Israelis and Palestinians. My new government was sworn in two days ago. I know there have been questions regarding what the policy of the new government will be towards peace with the Palestinians. **So let me be clear.** Israel remains fully committed to peace and to the solution of **two states for two peoples**. We extend our hand in peace and in friendship to the Palestinian people.

I hope that your visit, along with the visit of Secretary of State Kerry, will help us turn a page in our relations with the Palestinians. Let us sit down at the negotiating table. **Let us put aside all preconditions.** Let us work together to achieve the **historic compromise that will end our conflict once and for all.**"

This conversation can also be read from the white house website here: <http://www.whitehouse.gov/the-press-office/2013/03/20/remarks-president-obama-and-prime-minister-netanyahu-israel-joint-press->

Then on **march 22nd**, while Obama was visiting Petra, Netanyahu made an **surprise and sudden apology to Turkey** for Israel defending against the flotilla from turkey in 2010, during which altercation, **9** people were killed. There are many articles about this, but here is one from CNN: <http://www.cnn.com/2013/03/22/world/meast/israel-turkey-apology>

So... What does all these events, have to do with anything?

Lets list what we have just went over, which is only a few of the events taking place:

March 22nd 1980 – New World Order “Georgia Guide Stones” erected

March 22nd 2003 – Bush’s announcement to begin “Operation Iraqi Freedom” was Posted to White House.gov

March 22nd 2013 – “Georgia Guide Stones” 33rd Anniversary

March 20th-22nd 2013– Ten Years after bush’s speech, Obama goes to Israel for first visit mostly to urge peace between Israel and Palestinians, using a “two state solution” which he has stated must occur to have ‘peace in the middle east’.
During this conversation, Netanyahu stated Israel is ready for a two state solution to reach “historic peace”.

March 22nd2013 – Netanyahu suddenly & surprisingly apologies to Turkey for the death of 9 people in 2010, and they are now returning to a ‘peaceful’ status between the two nations.

NOW GOING BACK TO THE SUPERBOWL: The power went out with **13:22** remaining on the clock.The lights were out for **33** minuets. The game restarted at **9:11est**

I believe this was a message:

13:22 is march **22nd** of **2013** or **3-22-13**.

33 minutes is **33 days** being counted from **3-22-13**

If you begin on **march 22nd**, and count **33 days** forward, you will come to **april 24th** 2013. Which again, **although they have no way of knowing it**, april 24th on the pagan roman calendar, is the True **Aviv 14th Peach/Passover Day**.

But since they do not know it is Peach, **what significance does April 24th hold for them?**

THE TROJAN WAR: Everyone has heard about the battle of Troy between the Greece and the Trojans. It was a **war** that lasted **10 Years**. It ended only when the Achaeans (Greece) built a huge wooden horse, and left it at the gates of Troy as a Gift of **(False) Peace**, and they seemingly sailed away.

The Trojans, thinking the war was over, brought the huge wooden horse into the gates of the city, and celebrated into the night, with most of the men getting drunk. Then that night the greeks came out of the horse, opened the gates, and the entire army came into the city, and they slaughtered the sleeping population into the next day.

What day was the Trojan horse brought into the city and the slaughter of the 'Sleeping' people occur? **The traditional accepted date is April 24th.**

Where was the city of Troy located? It was on the west coast of the modern day nation of **Turkey**.

So the question becomes: What is the shape of the "Trojan Horse" this time? What will come as peace, but instead will lead to the slaughter of the 'sleeping' population? What will occur or begin, on the pagan roman calendar day of **april 24th**?

We Believe that it may be the beginning of the "Two State Solution" which will establish a Palestinian state, under the false pretense of "Peace & Security/Safety".

THE 'TWO STATE' SOLUTION

We have not sent this out in teachings or other documents before today. But we have discussed this for some time amongst ourselves, and everything that we have talked about, and thought might be coming, seems to be lining up 'right on time'. So the next several topics will be concerning this.

As stated in earlier paragraphs, Both Obama and Netenyahu have made multiple statements about a "Two State Solution". Obama being the most prominent in this, as he stated in a sit down interview before his first election, that he thought a two state solution was the only path to peace. And since then, has made multiple indications and statements to re-enforce the idea. Since then, and especially in the last 6 months, the UN has made it clear that Israel is "occupying" the territory outside of the 1947 borders. The UN has also declared the Palestinians as an "Observer State", and recognized the Palestinian Government as legit, even though they do not yet even have a nation land wise. So they have all laid the ground work, and all is left to yet be done is to make 'official' borders of the nation of 'Palestine'.

This will all be done in the name of "**Peace and Safety/Security**" to both Israel and Palestine.

I can't begin to fully explain all of this in detail. There just isn't enough time...

THE ABOMINATION OF DESOLATION

Daniel 8:13 Then I heard one kadosh speaking, and another kadosh said to the one who spoke, When shall this vision come to be concerning the daily sacrifice, and the **abomination^{H6588} of desolation^{H8074}**, to give both the Kadosh-Place and the army to be trampled under foot?

Daniel 11:30 For the ships of Chittim shall come against him: therefore he shall be grieved, and return, and have **indignation against the kadosh brit**: and shall act; he shall even return, and **consider and favor them that forsake the kadosh brit**. 31 And forces shall be mustered by him, and they shall pollute the Kadosh-Place of strength, and shall take away the daily sacrifice, and they shall **set up** the **abomination^{H8251} that makes desolate^{H8074}**. 32 And such as do **wickedly against the brit** shall he corrupt by flatteries: but the people that do know their Eloah shall be strong, and do mighty acts.

Daniel 12:11 And from the time that the daily sacrifice shall be taken away, and the **abomination^{H8251} that makes desolate^{H8074} set up**, there shall be a thousand two hundred ninety days. 12 Blessed is he that waits, and comes to the one thousand three hundred thirty fifth day.

Mattityahu/Matthew 24:15 When you therefore shall see the **abomination of desolation**, spoken of by Daniyel the navi, **standing in the Beit HaMikdash**, (whoever reads, let him understand); 16 Then let them who are in Yahudah flee into the mountains: 17 Let him who is on the housetop not come down to take anything out of his bayit: 18 Neither let him who is in the field return back to take his clothes. 19 And woe to them that are with child, and to them that are nursing children in those days! 20 But make tefillah that your flight is not in the winter, neither on the Shabbat: 21 For then shall be Great Tribulation, such as was not since the beginning of the olam hazeh to this time, no, nor ever shall be.

Yochanan Moshe/Mark 13:14 But when you shall see the **abomination of desolation**, spoken of by Daniel the navi, **set up where it should not be** (let him that reads understand), then let them that be in Yahudah flee to the mountains: 15 And let him that is on the housetop not go down into the bayit, neither enter in, to take anything out of his bayit: 16 And let him that is in the field not turn back again to take up his garment. 17 But woe to them that are with child, and to them that nurse in those days! 18 And make tefillah that your flight is not in the winter. 19 For in those days shall be Tribulation, such as was not from the beginning of the creation that YHWH created to this time, neither shall be ever again.

WHAT IS THE ABOMINATION OF DESOLATION?

First, What is an Abomination? We all know in the Word, that an 'Abomination' is always referring to something that is a **very grievous sin** before Yahuah. But we can also look the Hebrew words, and maybe get additional meaning.

There are two Hebrew Words used for "Abomination" in Daniel.

The word used in Daniel 8:13 is:

H6588 pesha` *peh'-shah* From [H6586](#); a *revolt* (**national**, moral or religious): - rebellion, sin, transgression, trespassive

The other word that is used in both Daniel 11:31 & 12:11 is:

H8251 shiqquṯs shiqquṯs *shik-koots'*, *shik-koots'* From [H8262](#); *disgusting*, that is, *filthy*; especially *idolatrous* or (concretely) an *idol*: - abominable filth (idol, -ation), detestable (thing).

Again, the 'Abomination' it is speaking is a grievous Sin to Yahuah. But the key Hebrew Word, which is used Only in **Daniel 8:13** is 'Pesha' which also carries the meaning of a 'revolt', which can be 'national' in reference.

What does 'Desolate' Mean? In all of the verses in Daniel, the Hebrew Word for 'Desolate' is:

H8074 shâmêm *shaw-mame'* A primitive root; to *stun* (or intransitively *grow numb*), that is, **devastate** or (figuratively) *stupefy* (both usually in a passive sense): - make amazed, be astonished, (be an) astonish (-ment), (be, bring into, unto, lay, lie, make) **desolate** (-ion, **places**), be **destitute**, **destroy (self)**, **(lay, lie, make) waste**, wonder.

So what does this 'Abomination' (*Grievous Sin*) make 'Desolate' (*Destroy/Devastate – Place - to Destroy Self – to make waste*) ?

We are given further meaning in **Daniel 11:30-31**:

Daniel 11:30 For the ships of Chittim shall come against him: therefore he shall be grieved, and return, and have **indignation against the kadosh brit**: and shall act; he shall even return, and **consider and favor them that forsake the kadosh brit**. **31** And forces shall be mustered by him, and they shall pollute the Kadosh-Place of strength,

and shall take away the daily sacrifice, and they shall **set up** the **abomination**^{H8251} **that makes desolate**^{H8074}. 32 And such as do **wickedly against the brit** shall he corrupt by flatteries: but the people that do know their Eloah shall be strong, and do mighty acts.

What is the **'Kadosh Brit/Set-apart Covenant'**? It is the Covenant that Yahuah made with Avraham. That **His Zera/Seed will inherit Eretz Yisrael/The Land Of Yisrael!**

So what is the 'Abomination' that makes 'Desolate'???

It is the **Great Sin**, against the **Brit/Covenant**, that causes the Land to be made **Desolate/Empty/Destroyed**. What does this mean?

OBAMA, NETANYAHU, & THE "TWO STATE SOLUTION"

THE GREAT DELUSION THAT WILL DECEIVE THE MASSES:

Obama will act as the main 3rd party 'intermediary' for the UN, who will get Prime Minister Netanyahu and the Palestinian government, to make an **Agreement to a Two State Solution**, which will take away all of the lands that Israel gained in 1967ad, and put them back to the their 1947 boarders.

With ONE Exception: The City of Jerusalem will be divided between Israel and Palestine, and will be called the 'capital' of both nations.

We have explained Daniel 9:27 in Previous newsletters & teachings. But here is a summary:

Daniel 8:9 And out of one of them came forth a little horn, which grew exceedingly great, toward the south, and toward the east, and toward the pleasant land.

Daniel 9:27 And He (*Yahushua*) shall confirm the brit/covenant with many for one week (*Last 7 Years*): and in the middle of the week He shall cause the sacrifice and the offering to cease (*Public Prayers & Witness of Yisrael because they at this point are in the wilderness*), and on the **wing/corner** of **abominations** shall be the one who **makes it desolate**, even until the complete end of the olam hazeh, which has been determined and shall be poured upon the one who lays waste.

TO CONTINUE WITH OBAMA AND THE 'TWO STATE SOLUTION' WITH THE PREVIOUS TWO VERSES IN MIND: When they come to an agreement, they will setup a grand UN Speech Event. It will be an event, which we fully believe, will be held on the temple mount. **BUT** instead of being at 'a rebuilt temple' as is commonly taught by the church system, it will occur on the **south east corner of the Al-aqsa mosque** which is the "...wing/corner of **abominations...**". A mosque being on the temple mount is a Great Abomination! And this is where satan through his vessel will speak forth and declare the 'Abomination of Desolation' which is: Stating that eastern Israel is no longer Israel, but instead is part of a Palestinian State, with Jerusalem being divided in half, and half given to each nation. Therefore making the Land (*which is the Brit/Covenant*) Desolate, as the people would be forced to leave when it is given to the Palestinians.

Since Obama was the main 'intermediary' he will be the main speaker here as well. In this speech, they will fully declare '**Peace & Safety/Security**'. This will occur right at or on **october 5th 2013**, which is the **30th day of the 6th Month of 5995s.c.** The **Next Day** is the **1st Day of the 7th Month of 5995s.c.** Which is the beginning of the Great Tribulation and the 1290 Days of Daniel, which we taught years ago. Then **Sudden Destruction** will come, which is why those in **Mattityahu/Matthew 24** who have not fled already, are told to **flee immediately** when they see this occur, with no delay what-so-ever. Because if they do not escape right then at that time, and are not in the wilderness by the time that the 1290 Days/Last 3 ½ Years/Great Tribulation begins, They Won't Escape.

This doesn't mean that major destruction won't occur in the United States and other nations **BEFORE** this occurs. There is a reason Yisrael is "Fleeing" To Flee means you are trying to Escape from something to a place of safety. You aren't just strolling along taking your time. For those who escape in the **early portion, as in those who are leaving right now**, you may not be forced to 'run' in haste. But those who wait, because you want to see the events falling down before you are willing to leave, IF you are able to escape, You Will with-out Doubt be Fleeing. And it will be by any means necessary, even if it is on foot. We hope and pray that Yahuah will help His People escape, even during that time.

This is also one of the Great Delusions to the church system. As they have been taught very wrongly about Daniel 9:27, and therefore are looking for a '7 year treaty' to occur

for the '7 year Tribulation' to begin. So when they see this Abomination of Desolation take place, they will only think that it is the '7 Year Treaty' they are looking for, and they will say that they still have 3 ½ years for the temple to be built and for the rapture to occur. Or for the few that don't believe in the rapture before the Great Tribulation comes. Not realizing that they are already at the Middle of the Week, and that the Great Tribulation is beginning.

AVIV 14TH 5995SC – PESACH DAY – LESS THAN 6 MONTHS BEFORE THE MIDDLE OF THE WEEK AND THE BEGINNING OF THE GREAT TRIBULATION Over the past 3 years we have seen a dramatic escalation of events taking place on a global scale. But We have stated for Years now, that at and after Aviv of 5995sc, especially Aviv 14th Pesach Day, events will greatly increase from that time to the middle of the week, a period of six months. This particular Pesach is now less than 2 weeks away. And again Aviv 14th 5995s.c. Pesach Day, is the pagan roman calendar date of **april 24th**.

And as stated before the **1290 Days of Daniel** begins this year, at the middle of the week, at the 7th month 1st Day/Yom Teruah 5995s.c.

With having said that, When does the **1260 Days of Revelation** begin?

THE 'TWO' END TIME WITNESSES

GilYahna/Revelations 11:3 And I will give power to **My two witnesses**, and they shall prophesy a **thousand two hundred sixty days**, clothed in sackcloth. 4 These are the **two olive eytzim**, and the **two menorot** standing before the Eloah of the olam. 5 And if any man will hurt them, fire proceeds out of their mouth, and devours their enemies: and if any man will hurt them, he must in like manner be killed. 6 These have power to shut the shamayim, that it rain not in the days of their prophecy: and have power over mayim to turn them to dahm, and to smite the olam with all kind of plagues, as often as they desire.

Many have thought, including myself to some degree in times past, that the 1260 Days was the same time as the 1290 Days, which is to say both were the last 3 ½ Years. BUT, although these time periods overlap each other, they are Not the same. Nor is the 1260

Days the 'prophetic 360 day calendar'. As Anyone Who understand Yahauhs True Scriptural Calendar, there is only 354 Days in a year in these end times, and will continue to be so until Yahuah (*NOT man*) changes it back, by restoring the sun to its original position. This is why the 1290 Days of Daniel will **ONLY** Work with Yahauhs Solar-Lunar Two Witness Calendar, Not the pagan roman calendar, Nor ANY Solar Only Calendar, Nor the 360 day 'prophetic calendar'. Because the calendar that **Daniel used in his day**, and the calendar that is in **Revelations**, is the **same calendar** that is still in existence and is being spoken forth by the sun and moon today.

The 1260 Days is the time that Yahauhs Two Witnesses are sent forth in the Power of Yahuah to do His Work. Many teach that these are 'two men', one of which many state is the 1st EliYahu/Elijah back from the dead, or that he never died, both ideas are in contradiction to the Word and are false statements because they would break the Word. Instead these men will be the same as Yochanan/John the Immerser, which Yahushua said was also EliYahu in **Mattityahu/Matthew 17:10-12**.

These men will be sent in the '*spirit of EliYahu*' (*which is Yahauhs Spirit, but is meaning in the same manner or power*) and no one in this system will know them during **At Least** the first six months. The reason being, even **if** they called in fire the very first day, (*which I do not believe that their great of events like that will happen until at least several months in*), no one in the system is going to know that these men are the ones who called in the event. They will see the event, but they will not know that these men spoke it to occur. Now we as Yisrael seeing the events will know what is taking place. But only those who are standing with these witnesses and hear them speak, and then see it come to pass will know who they are, **at first**. Eventually, after the middle of the week has begun, yes the world at some point will be shown who they are and they will see the power that Yahuah has given them. Why after the middle of the week, because the church system will never be given great signs to believe, this is why these things will come upon them suddenly as a thief in the night.

Something else, the Word Never Tells us if these "Two Witnesses" are **Just** Two men. It only states "**These are the two olive eytzim/trees, and the two menorot/menorah's standing before the Eloah of the olam.**" Could it just be two specific chosen individuals? Yes, it's possible. But it could also be a group of people from the **Two**

Houses of Yisrael, which is represented many times as Two Olive Trees or Two Menorah's. It could also be **Two Leaders** over, and in accompaniment, of a specific group, such as was Moshe/Moses and Aharon, who were over the 70 Elders of Yisrael.

In any case, whoever they are, or how many it is, that Yahuah Chooses to Send, is His Choice, and is not specifically laid out in His Word. **What we do know** is that they will be sent for **1260 Days**, and during which time they will bring Great Judgments upon the nations of the earth.

For many years, my Abba Moshe EliYahu has stated that he believed that the Two Witnesses would be sent about six months before the Great Tribulation. Now, with having the Restoration of the Scriptural Year Timeline, and the understanding about the 1290 & 1335 Days of Daniel in the last 3 ½ years.

To the best of our knowledge of what is written in the Word, the Two End Time Witnesses will begin their ministry on the **10th day of Aviv 5995s.c.** Which is **only 9 more days from today.** **1260 Days from this Aviv 10th,** bring us to the **Yom Teruah/1st Day of the 7th Month 5998s.c.** (68th Week of Daniel) During this first week of the 7th month, the 1st Resurrection will take place, beginning with the End Time Witnesses, which stand up and all of those who were celebrating see them. Those taken up in the 1st Resurrection will meet Yahushua in the clouds, but He will Not at that time set foot on the earth. As it is written in **Daniel 9:25**, Yahushua will not return to the earth, until the 69th Week, which is the next year 5999s.c.

So besides the resurrection, what occurs during this 6 month time period, from Yom Teruah of 5998s.c. Until Aviv 21st (*end of the 1290 Days*) of 5999s.c.? This will be the time that the wrath of Yahauh is poured out upon the earth. As Yisrael is not subject to the wrath of Yahuah. Those who were not selected to be changed and taken at the 1st resurrection, but were selected to remain on the earth to enter into the millennial kingdom, will be protected in the wilderness, until the end of the 1290 Days of Daniel. No man knows the day or hour, but we do know from Daniel, that Yahushua will return to the earth at Mount Olives '**cutting the time short**' during the **69th week which is 5999s.c.** At which time He with His 'saints' will destroy the remaining armies of the earth who come to fight against him.

SIGNS IN THE SHAMAYIM/HEAVENS

From Aviv 14th through Yom Teruah/7th the Month 1st Day, Many Major Events Will take Place. As the Middle of the Week approaches, we will have a major Sign in the Shamayim, which they call 'Comet Ison' – C/2012 S1.

I'm not going to go into depth about it, there's just too much information. So I'm going to try to make a summary about C/2012 S1 - Comet Ison. I have been watching, reading, and studying the topics surrounding this comet for the past several months. NASA and others have stated that this 'Comet' will be brighter than the full moon, some saying up to 10 times brighter.

<http://www.independent.co.uk/news/science/brighter-than-a-full-moon-the-biggest-star-of-2013-could-be-ison--the-comet-of-the-century-8431443.html>

http://www.huffingtonpost.com/2012/12/31/comet-coming-in-2013-ison_n_2388685.html

NASA and other sources, at first stated that Ison would not be brightest until sometime in November. But soon after NASA and other government agencies reported about Ison, they quickly dropped '*the Comet of the Century*' and began directing people's attention to other things they say will happen in 2014.

There are independent scientists (not government paid) who have stated that C/2012 S1 - Ison is actually **Many Times Larger** than what NASA is reporting. So much larger, it may even be larger than Earth itself. And that it is not a Comet in the way that NASA regards such, i.e. – dirty snowball. They have also given other evidence that this 'object' has passed before and could be what Yahuaah used to rain sulfur down on Egypt just before the 1st Exodus. They believe that this is the object that is translated as 'Wormwood' in the Scriptures. Along with this object, there are other smaller objects which are caught in its magnetic field, which as it nears the sun and Earth, these objects may be pulled away and could be thrown into Earth's atmosphere. Besides all of this, the size of this object and its magnetic field, along with it being a sun grazer, will have a major impact upon Earth's magnetic field, and could also cause large solar flares to be directed toward Earth.

And although they do not know Yahuaah's true calendar, these scientists also have stated that NASA is wrong about the timing of Ison, that it will approach its brightest in

early october. Which the pagan oct 6th, begins the 7th Month, the middle of the week, the Day that the Great Tribulation begins.

I also fully believe, and had been watching, seeing, and posting about the increase in meteors, just as we stated several years ago would occur. I believe that some of the larger meteors, like the one that exploded over russia and caused a lot of damage, is some of the debris ahead of Ison. At some point, we do know that two large meteors will hit earth, as it is written in the Word.

Ison is not the only object that is coming, there are other comets and objects which are going to light up the sky as well. But from what I have researched I believe that Ison will be the 'main event' and at the Very Least will be a major Sign in the Shamayim/Heavens.

The Bering Strait Land Bridge

Over the last few years, we have mentioned about that we here in north America may go back to Yisrael by ground. We stated and showed that the only water that we can't drive around is the Bering Strait, which is 50 miles of ocean between Alaska and Russia. We also stated that at one time, scientist said that there was a land bridge there, which is now only covered by between 50-180 feet of water. We said that we believed Yahuah would make a path here, for His People to go back across this path, as they make their way back to Yisrael, during the last 3 ½ years. We thought maybe that He would literally divide the sea, **which may still be the case.**

But it was interesting to know that Russia 'wants' to build and underground tunnel under the Bering Strait, which would contain rail ways as well as highways. I didn't find out about this until recently, when they began to move forward with the project a few months ago. **However** although they claim that this project is just now beginning. I fully believe that this project is either already totally complete, or very nearly complete.

Just like the US Airforce who just recently announced they were going to build and 'extensive tunnel network' under the united states to move military hardware. Which I

know has been completed (*or at least the main part of the network completed*) for at least 30 years, using the Airforce Tunnel Boring Machines.

Here is one link to the Bering Strait Tunnel, but there are many other articles, some of which we very recent, which have seemed to have been removed/deleted.

<http://www.dailymail.co.uk/news/article-2028854/99bn-Bering-Strait-tunnel-approved-Kremlin-paves-way-East-West-rail-link.html>

There was so many other topics and events that I wanted to include. So many things are taking place and are about to take place. Like the events taking place centered around north korea. I have watched for these events, specifically a nuclear related event & EMP from north korea, or it being done and then blamed on north korea, for about 4 to 5 years now. Which we may now be fast approaching the day that the united states power grid goes down due to EMP blast. When it does, and it Will at some point soon, it will Not recover.

I also wanted to talk extensively about how they are arresting anyone they want, under the false claim of mental illness, so they can take their guns.

Or how about of Home Land Security (HLS) is now distributing all of their MRAPs and other armored military vehicles, along with the Billions of Rounds of Ammunition, and other supplies around the country.

And how the military AND Police are being told and trained that number 1 threat in America, is not the jihadists, or the muslim extremists, or even terrorists. No, the number one threat is 'christians' and people who 'take the bible literally'. Which by the way, if you do this, then you are a 'religious extremists' and have a 'mental illness', and therefore cannot own guns either, and may have to be locked up in a mental institution.

Or how about the military veterans who are being forced, sometime being taken from their home by police without a warrant of any kind (*but before they take you they make you give them all of your guns, again without a warrant*), take them to institutions or hospitals, put in the mental ward for days, told to take drugs (*if you don't then you are*

mentally ill because you won't follow doctors orders) threaten them that they may have to spend the rest of their life there. Are then declared mentally ill and finally were released. Some of these men were prominent members of their community too.

Or how many veterans who are receiving letters in the mail, which state they are being declared mentally ill, and have to surrender their guns. And the only way for them to be cleared, is if they file a case and come before a 'board', and then the board would have to 'approve' them mentally competent.

Or how about, if you attend an 'anti-government rally' (which was actually a tea party rally) and took your children with you. Then because you went to this rally, the police say that you are 'anti-government' and therefore are a 'terrorist'. They then arrest you, have your guns AND your children taken away from you. And later when they took their OWN children from their grandmothers house, and tried to flee to Cuba for asylum, they were arrested for kidnapping, and put in jail awaiting trial in florida.

Yes, these are all real reports, and there are so many more. All of which I either posted in the past week or so, or will post soon, on our facebook page.

There is just so much happening, I can't even get the time to go through the information and post it to our facebook page. I currently have about 200+ articles open in my internet browser, so many my browser keeps crashing, or working so slowly I can't hardly use it. I'll try to get through these and post what I can it's just two much information to go through.

But to sum up anything I can post:

- *The banks are getting ready to take your money and not long afterward the US dollar will collapse**
- *They will soon take all of the guns they are able to**
- *The power grid will soon be taken down, either by EMP or other means**
- *FEMA & HLS is a force that will be used against the America people along with foreign militaries**

***They will implement their check points and lock down the country, to keep people from moving, soon after the first major event hits**

***Events will rapidly increase from Pesach/Aviv 14th forward**

***If you don't escape very soon, you may not be able to get out, or if you do you might end up like Lot, with the clothes on your back, walking to the mountains. And even he lost his wife.**

I wanted to include so much more in this newsletter. There is so many events taking place, and this will only increase daily. But in the end all that one needs to know, is enough to understand you have to Flee out of this beast system before its to late.

I'm going to include a few links to different topics at the end of this newsletter, but the best way to keep up on what I am able to post is on our "Signs of the Times" Facebook page: <https://www.facebook.com/yahushua.benmosheeliyahu>

We don't know if this will be the last newsletter, or if we will be able to send out another. We just hope and pray that the teachings, the website, newsletters, and other things we have been able to send out, have helped Yisrael to find the Truth of Yahuahs Word, and to know the times we are in. And we pray that Yahuah will help as many of Yisrael who are willing to leave this beast system behind, will escape and be Gathered by Yahuahs hand into the Camps in the Wilderness.
