

Shabbat Shalom Kol Yisrael,

This is the 4th year since we began to warn Yisrael, that we had entered the 'One Week' of **Daniel 9:27**. We have told Yisarel to get prepared and be ready for what is coming.

We have warned people to get out of the cities, as they will be the first places overtaken by chaos, and many will also become prison cities controlled by the military. We have warned people that No Matter what you do, DO NOT go to the government for help and be taken into the FEMA Concentration Camps, which they call 'residential centers'.

We have warned you of many events which are taking place all around the earth, both of the things the beast system is doing, and the events taking place in the earth of countless earth quakes, volcano eruptions and associated events, mass animal/fish deaths, changes and weakening of earth's magnetic field, the countless meteors/asteroids. Droughts, Floods, and Pestilence, which is destroying the crops, livestock, and other food sources all around the earth, on a massive scale.

Because there are so many events taking place, we have only been able to post about a very small percent of them on our facebook page. And some like earthquakes and animal deaths, we usually don't even post at all, due to the fact they have just become a daily event.

Then take into account the 'Wars and Rumors of Wars'. Look at the change that has occurred in the nations in the past 4 years. How many wars are being waged right now at this very moment? How many are known and how many are covert? How many nations have had their leadership usurped and replaced through so called 'civil war', even when it is known that most of the 'rebels' as they are usually referred to, are not even from that nation, but instead are being brought into that area, to destroy that nation.

There are so many events which have taken place, and even just the events occurring right now, it is impossible to even sum it all up in a newsletter. If you aren't watching for yourself what is really occurring, you won't know and will be fooled into believing that *'everything is just fine'*.

If you are still relying upon the government propaganda media (CNN, ABC, CBS, MSNBC, FOX, etc etc etc) to tell you the truth or what you *'need to know'* you are just eating the propaganda the government is feeding you, and you are just another sheep being led to the slaughter.

As of today, We Are Now Only 7 Days Away from the 'Middle of the Week', the Beginning of the Great Tribulation, the Last 3 ½ Years, which is also the beginning of the 1290 Days of Daniel. This Time Begins on the 7th Month 1st Day Yom Teruah/Day of Trumpets.

***ADDITIONAL NOTE:** Many people, groups, and organizations, kept this month as the 7th month to stay with the Jewish calendar. This is because they did **Not** keep a 13th month last year when they were supposed to have, but instead they started Aviv **Even when the Turn of the Year had Very Clearly not Occurred.**

And even this month, although it was close, it was clearly seen to those who went out and looked that the 2nd Turn of the Year had **Not occurred at the beginning of the 15th day.**

The 2nd Turn of the Year, According to the Examples Given in the Word, **HAS TO OCCUR AT or BEFORE**, the Beginning of Sukkot, which begins at the 15th Day of the 7th Month.

Again, on the 15th Day of **this** month, the Turn of the Year had Clearly **Not Occurred**, therefore this is a **Clear 2nd Witness** that this was **Not the 7th Month**, but only the 6th Month. The 7th Month does Not Begin Until Next Month, at this coming Rosh Chodesh.

(TO CONTINUE)

Many people have scoffed and laughed at the Restoration Teachings we have taught, and the warnings we have given to this Last Generation, and we expect no less. They Scoffed and Laughed at Noah/Noah when he and Methushelach/Methuselah, taught for 120 years that Rain was going to fall and cause a Great Flood that would Destroy All who breaths.

Just as that generation had never seen rain *(as the water came up from the ground at that time – Beresheeth/Genesis 2:5-6)* and did not believe it would come even after hearing about it for 120 years, they didn't believe until Noah was **Already Sealed in the Ark for 7 Full Days** before it suddenly began to rain and the flood took them all away. - Beresheeth/Genesis 8

The same is true of this generation, as they also do Not Believe that this is the End Times and that Destruction is coming, Even with the **Multitudes** of Signs Being Given to this generation. They also won't believe until sometime after Yisrael has Already been Sealed in the Wilderness as is Written, then they will be 'taken away' through death by the flood that will be sent out of the mouth of the serpent *(not 'taken away by the rapture')*

as is falsely taught) when the Sudden Destruction Comes upon this Last Generation in these End Days.

But there are a few who have listened, and it's not about us, but to Listen and Become Obedient to Yahuah's Word. And they are striving to Know, Learn, and **Do** what Yahuah has **Commanded**. And as it was in the Days of Noach, once again there will only be a Remnant of Yisrael left alive who Yahuah Seals, Protects, and Nourishes in the Wilderness.

How many that Remnant will include worldwide, will depend on how many truly Believe AND Follow Yahuah's Word, who are awake and watching the events taking place, knowing that the Masters Return is Near.

Now that we are only days away from the Middle of the Week, what will take place and when? What will happen on Rosh Chodesh of the 7th month (oct 6th) which Begins The Great Tribulation?

It will most likely come and go, without notice to the world. It will just be another day of events, wars, and etc. The truth is, Only Yahuah knows What events that will take place in any one nation and When they will occur.

Although the false church system talks about many events that 'signal' that Tribulation has started, such as: The temple being built, the anti-messiah, a 7 year peace treaty, etc etc etc. All of which are false in the way that they teach them.

The Fact is There is No Event Written in the Word, that is able to be seen by man, which 'Signals' the Beginning of the Great Tribulation.

The only event that is stated to take place at the middle of the week, the beginning of the 1290 Days of Daniel, is that Yisrael is Sealed. This is something that the world cannot 'see'. As we stated several years ago, when Yisrael flees into the wilderness, it will go mostly un-noticed. Because Yisrael is so scattered, and is only in small groups or mostly just individuals or families. The only thing that people will see is that their neighbor moved out. This has been happening over the course of the past several years. No fanfare, the church system didn't line up on the street pointing to those leaving, nothing. If you are not part of Yisrael, and do not understand by the Signs that are Written in the Word, and Happening all around the earth every day, you don't even know we are in the Last Days.

The Only Other thing that is mentioned is **Daniel 9:27** which the church has twisted and mis-taught to an extreme, which we have spoken about before.

“9:27 And He shall confirm the brit/covenant with many for one week: and in the middle of the week He shall cause the sacrifice and the offering to cease, and on the wing/corner of abominations shall be the one who makes it desolate, even until the complete end of the olam hazeh/this age, which has been determined and shall be poured upon the one who lays waste.”

As stated, we have spoken about this verse before, and have stated the ‘He’ in the beginning of this verse is not speaking about the ‘anti-messiah’ as the church teaches, but is Yahushua ha Moshiach/The Messiah! Yahushua confirms HIS Brit/Covenant with Many (*those of Yisrael who will listen and be Obedient*) for 1 week, the last 7 years.

In the Middle of the Week, He/Yahushua ha Moshiach will cause the ‘**Sacrifice and the Offering to Cease**’. This again is not a physical animal being sacrificed at the new temple, as the church teaches.

But again as we explained in an earlier newsletter, this is speaking of each of us as part of Yisrael, in our **Sacrifice and Offerings** of Our Own Temple! Our Body is Our Temple! Our Daily Sacrifice has been Our Daily Walk in this Life before the World, showing ourselves separate in All Ways from the false pagan worship, and from the world. By Our actions (*for example: Being Seen Keeping the Shabbat and not working no matter what, by our co-workers and others*), our Dress, and being a Witness of Yahushua the Messiah by sharing the Truth of Yahuahs Word with whoever would listen! This Has Been Our “Sacrifice and Offering”. But when Yisrael is Sealed in the Wilderness, and the public ministry and witnessing is done, our Sacrifice and Offerings will also cease before the world.

Again, just as stated just a few paragraphs ago, when Yisrael is Sealed, it will go un-noticed, as like in our case, our neighbors just know that we moved.

As far as the Abomination of Desolation, I have stated in previous newsletters, that I thought it may have to do with the Dividing of Yahrushalayim/Jerusalem. If that will be seen publically or not, I do not know. We Can Easily See by the UN declaring ‘Palestine’ a member, and stating that Israel is building on ‘occupied territory’ and has demanded they stop immediately, that they are saying that ground is part of the Palestinian state, even though they have yet to ‘officially’ declare a Palestinian State.

Whatever the Abomination of Desolation is, we do know that it will not Alert the churches or unbelievers to the true time. Some may question if they have entered the 7 years, but they as a whole will never understand the last 3 ½ years has begun. We know this as it is written many times throughout the Word, in many ways. Including MattitYahu/Matthew 24.

EVENTS OF NOTE:

Although Only Yahuah knows exactly what is going to happen and when it will occur, even when just looking at this nation, let alone all the nations of the earth. We do know that the United States has been setup to be soon destroyed in every way. We have posted and spoken about many events, laws, and other things taking place in this nation.

However, there are a multitude of events which are taking place, which seem to show that they are now making their final preparations for the demise of the US. And it seems like they're deadline for all of these preparations to be complete is october 1st.

I'm not going to go into detail on all of these, I've been posting many things concerning this on our facebook page already.

And just to be clear, I Do Not believe anything to occur on oct 1st. But rather that events will occur in the weeks following, and into the month of november.

This is just a quick list, some of this list is from one or two articles where others have taken notice and is also keeping track. My Comments in Black:

*82% of our combat forces and their supply elements out of CONUS by [October 1st](#).

*FEMA purchase orders for over \$14.2 million for MREs and heater meals to be delivered to Region III by [October 1st](#). (note that Region III includes Washington D.C.)

*FEMA purchase orders for 22 million pouches of emergency water to be delivered to Region III by [October 1st](#).

*FEMA purchase orders for \$13.6 million for MREs and heater meals to be delivered to Austin by [October 1st](#).

*Nine-week training course for UN Peacekeepers in CONUS (*Continental US*) to learn Urban Warfare, English, and US weapons systems - beginning 4th week of July for 386,000 U.N. troops to be completed by October 1st.

*\$11 million in antibiotics to be delivered to FEMA region III by October 1st ordered by CDC.

*World Health Organization (*WHO*) held second emergency meeting in its history to discuss MERs coronavirus. Determined a vaccine **MUST** be in place by October 1st.

*2800 MRAPs (*Mine Resistant Ambush Protected Armored Vehicles*) must be delivered to DHS by October 1st.

*No leave will be allowed for US military from September 28th thru November 5th.

*NORCOMM yearly training for civil unrest suspended until September 27th. To be performed in northeast coastal areas (*FEMA Region III*).

*Date for release of QE3 report moved to October 16th.

*All DHS agents **MUST** qualify with sidearm, shotgun and AR 15 by September 28th. No mention of yearly less lethal qualification.

*Sporadic testing of GPS and Communications satellites is coordinated for the first time with a testing date of September 29th.

*POTUS (*President of the United State*) mandates to FEMA and DHS concerning support for metropolitan communities dealing with the extreme climate change **MUST** be complete by October 1st. These mandates were issued during the last three weeks.

*Over 300 school systems in the US have determined they need three-day kits for each school AND three-day kits for each student to take with them. All deliveries are scheduled for the month of September. (*FEMA changed this to Every Student in Every School in the nation with Delivery to be complete by the end of september*)

*All National Guard units will complete riot control and disaster assistance training during this years annual two week training. All units **MUST** have their training complete by September 30th

*Daily testing of the Emergency Broadcast System to begin on September 25th and run thru October 2nd.

*Eastern-based Coast Guard units to perform massive group training usually performed in the Gulf, in the Virginia and Delaware areas. This is a 10-day training

mission to begin September 26th.

*October 1st the US shuts down our "Space Fence" detection system.

The "Space Fence" is a Major Ground Based Radar - Space Object Detection System, which has been in Operation 24/7 for more than 60 Years. As it was Our Main Line of Defense and First Detection System of Incoming Missiles and other 'Objects'.

The system being discontinued and taken down by Oct 1st, due to "budget cuts" is Completely Absurd! There is many other things they could do without, if they were removing systems, weapons, etc by 'Needful Priority'. The removal of this system leaves the US Very Vulnerable to Incoming 'Objects', and our military is left with much shorter 'vision' without it.

GRIDEX II – Total Power Grid Down "Exercise"

This is to 'simulate' a long term total grid power failure, for the entire North American Continent (Canada, US, Mexico) . According to their material, the 'Final Plans' for the exercise must be completed by Oct 1st.

And the 'exercise' is scheduled to being on Nov 13th 2013 *or* 11-13-13.

The problem is if this 'exercise' becomes the live event, as they have done in many past events, like 9-11, the 7-7 bombings, Boston Marathon bombings, and many other events.

We also know that they like to tell their plans before they perform them. With that in mind, we not only look at this 'exercise', but also what Janet Napatano, who Just Resigned Only This Month from her position as Head of Home Land Security, stated in a 'letter to her successor' before she left, that *"A massive and serious cyber attack on the U.S. homeland is coming, and a natural disaster — the likes of which the nation has never seen"*

Here is an article in the New York Times talking about the GridEx II 'exercise'. But there are many who know to watch this:

http://www.nytimes.com/2013/08/17/us/as-worries-over-the-power-grid-rise-a-drill-will-simulate-a-knockout-blow.html?pagewanted=all&_r=0

Its also interesting to note, that 'Comet' ISON is also going to pass directly between the sun and earth, on Nov 13th.

Also interesting to know that ISON was named after the Russian Institute who found it, instead of the person(s) who found it, which is the norm.

Will Comet ISON have an effect on the earth? Or cause a Major Solar Flare to be directed from the Sun to the Earth? Is this what they are preparing for?

OR Have they hyped 'comet' ISON for the past year, so they can blame a major power grid failure on it?

Like Rahm Emanuel, who is now the mayor of Chicago, stated when he was Obama's advisor, "Never let a Crisis Go to Waste" In other words, always use it to advance their agenda.

Its also of note, that right when NASA (*Never A Straight Answer*) was going to use their "Deep Impact" satellite probe to monitor Comet ISON, the satellite suddenly stopped responding, and later was said to be "spinning out of control".

One article: <http://beforeitsnews.com/alternative/2013/09/ison-update-nasas-deep-impact-has-epic-fail-on-its-way-to-view-ison-video-2760478.html>

They have now declared the craft 'lost in space' and quickly shut down the program, or at least that's what they're telling the public. In the least, its convenient timing.

If you have seen the older movie "Deep Impact" it should also raise a few eyebrows to those who are watching as well.

****Banking Holiday in Panama Announced!**

<http://news.goldseek.com/GoldSeek/1380224271.php>

****As we stated on Facebook about the Bank Holiday:**

We stated in a newsletters months ago, that we would see this occur in more an more nations. This is just another to add to that list.

Also notice the date given...?

Quote from Article:

"This morning the National Bank of Panama announced that it was suspending all services until Tuesday the 1st of October. The National Bank of Panama says that the reason is to upgrade systems."

***Of course you shut down the entire bank system, and all connections to it, so no one can get their money, just so you can upgrade your computers. I'm sure your customers will just be overjoyed to find out you care so much for them, that you won't let them have their money, until you get upgraded computers.

Quote continued:

"The Banking Holiday in Panama was announced this am (morning).

This system wide shutdown has country wide implications. The National Bank of Panama did not warn the

people before making the announcement and shutting down the banks. The people do not have access to ATM's either. We received word of this from family members first. This weekend is payday for people across Panama.
