

THE PLAIN & SIMPLE TRUTH

ABOUT THE

'STAR OF DAVID'

And the Multitudes of Real Pagan
Symbols that Thrive In These Last Days

In past years, we have heard many people speak about the symbol that is commonly called “The Star of David”. Which in Hebrew, is usually referred to as “The Shield of David”.

Many people have stated that this symbol is:

evil, satanic, the symbol of the ‘occult’, a ‘pentagram’, the star of remphan. And some even go so far as to say that this symbol is the “*mark of the beast*”!

Why do they make these statements? Why do they think that this particular star is “evil”? Why are these “ideas” so prominently belied, repeated, and taught as ‘truth’ today, with **No Scriptural Evidence?**

SCRIPTURES

For those who attempt to find Scriptural support, there are two main verses usually mentioned:

Maaseh Shlichim/Acts 7:43 Yes, you took up the tent of moloch, and the cochab/star of your mighty one remphan (derphan in the pershitta), and made images to worship: and so I will carry you away beyond Babel/Babylon.

Ahmos 5:26 But you have borne the tabernacle of your Moloch and Chiyun your idols, the cochab/star of your elohim, which you made as an idol for yourselves.

However, from these verses what exactly can be determined about the “star” of Remphan, or Derphan, or Chiyun? Does it say what it looked like? How many points it had? Or give a description of how it was designed?

Are these verses even referencing to a symbol? If Not, then what are they referring to? And What is the Truth of these Deities in Modern Times?

The deities that are mentioned in these verses are: **moloch, remphan, derphan, & chiyn** (*there are also other various spellings of these names*). At first glance it would seem that there are **4** different false pagan deities that are being spoken against in these verses. **However**, if we begin to search and start digging up some information about these deities, we actually find that **ALL** of these deities are actually different names for the **same false god**, but during **different** time periods, **and/or** from **different** cultures.

The names of this false god also has a few other common names, such as:

Ba'al (*Phoenicians, Arameans, and many others*), **Baal-zebul/Beelzebul** (*other names for ba'al*), **Sol Invictus** (*romans*) **Saturn** (*romans*), **Amen-Ra** (*egyptions*), **Bel** (*Celtics*), and many others.

If taken back to its roots, we find that this false deity is **directly connected** to another infamous name in pagan worship, which is the father of all of these deities: **Nimrod** the son of Kush. He is also directly connected to **Ishtar** (*her other names are Eastre, Easter, Astarte, Ashtoreth, Aphrodite, Astarte, Venus, 'Queen of Heaven', just to name a few – Link to more info <http://tinyurl.com/opuaqje>*) & **Tammuz** (*also called Dumuzid, Damuzi*).

NIMROD – THE 'SUN GOD' & ASSOCIATES

Nimrod was the king of Babel/Babylon. It is written in Yahuah's Word that people worshiped Nimrod even while he was alive: **Beresheeth/Genesis 10:8** And Kush begat Nimrod: he began to **be a mighty one** in the earth.

"...to be a mighty one..." is always a reference to being worshipped as a deity. Just like Yahuah is referred to many times as *'The Mighty One of Yisrael'* and rightly so. But there are also many **false deities** which men called their *'mighty ones'* such as in **Maaseh Shlichim/Acts 7:40** and verse **43** which we just read, and in many other verses.

A LITTLE HISTORY ON THE WORSHIP OF NIMROD:

I don't usually use man's history books. But since we are talking about their pagan worship, their history, & connections. We must also use their written history as well to show how it has continued to this day.

After Nimrod's death, his worship not only didn't end, but instead it greatly developed and increased. By researching a little on Nimrod, we find that after his death, his wife **Ishtar/Semiramis** met with the **priests of Moloch** (*who were also called*

Druids), and together they declared that **Nimrod** had ascended and **become the sun-god Ba'al**. After Nimrod's death, Ishtar was found to be pregnant, so she said she had been *'impregnated by the rays of the sun'*- which remember Ba'al/Nimrod was the sun god, and she gave birth to baby **Tammuz on dec 25th**. Upon his birth, **Tammuz** was declared to be **Ba'al** himself re-incarnated in the flesh.

This is why we see pharaohs, caesars, emperors, kings, and others, who are called/or have the title: *“son of the sun-god made flesh”* which also meant that they themselves were **‘gods’**, and they were worshiped as such.

To memorialize the ‘rebirth’ of *Nimrod/Ba’al*, they set up a festival on *Tammuz/Ba’al’s* birthday, **dec 25th**. On which day they would cut down an **evergreen tree** (*which in pagan worship represents “eternal life”*), bring it to where ever they wanted to worship **Ba’al**, stand the tree up and fasten it in place. They would then decorate it with gold and silver ‘balls’. This of course is still being observed today as *“christ-mass”*, all they did was change the names a little. *This also connects directly back into moloch, which we will get to later.*

The tree represented the phallus of Nimrod/Ba’al the sun-god, which is said to have impregnated Ishtar, and brought forth Tammuz, who again was declared to be Nimrod/Ba’al the sun-god ‘reincarnated’ in the flesh.

They took branches from the fir trees, and fashioned them into a circle or ‘ring shape’ which today they call a ‘wreath’, which represents the womb of *Semiramis/Ishtar*, where *Tammuz/Nimrod/Ba’al* was ‘reborn’ through her.

Today its called a ‘christmas’ or ‘hanukah’ tree, which is Expressly Point Blank forbidden in:

Yirmeyahu/Jeremiah 10:1 Hear the word that Yahuah speaks to you, O Beit Yisrael: 2 *This says Yahuah, **Learn not the derech/way of the heathen**, and be not broken at the signs of the shamayim/heavens; for the heathen are broken with them.* 3 *For the customs of the nations are worthless: for **one cuts an eytz/tree out of the forest**, the work of the hands of the workman, with the axe.* 4 *They **deck it with silver and with gold**; they **fasten it with nails and with hammers, so that it does not move around.**”*

Additional Notes:

How many other false deities were ‘born’ on and are being worshiped on dec 25th?

Horus, Osiris, Amen-Ra (usually just referred to as ‘Ra’), Attis, Krishna, Mithra, Buddha, Heracles, Dionysus, Adonis, Hermes, Bacchus, Prometheus, Sol Invictus, just to name a few...

Why is there so many ‘deities’ all born on pagan calendar dec 25th?

Because Nimrod was being worshiped **BEFORE** the tower of Babel. Therefore, when Yahuah confounded the languages and divided the people at the Tower of Babel, **all of these different languages**, which **became different cultures**, **continued** to **worship the ‘Sun god’**. However, the name of Nimrod was changed in each culture to their language, therefore Nimrod has been called by many names, during different time periods, and by different cultures.

Washington Monument
Obelisk in D.C.

Ancient Heliopolis
Obelisk in Cairo

Obelisk of Luxor moved
from Egypt to Paris

The tree-phallus of Nimrod/Ba'al, is exactly the same symbolism as the ancient egyptian obelisks for their sun-god deity '**Amen-Ra**'. We also see this symbol repeated in modern times all around the earth. **The literal meaning of the word 'obelisk' is "Shaft of Bel/Ba'al" or "Bel/Ba'als organ of reproduction".**

Just a **few** Common Prominent Examples are:

The Washington Monument (*Holds two records: the world's tallest stone structure and the world's tallest obelisk*), the Ancient Heliopolis Obelisk in Cairo, the Obelisk of Luxor (*physically moved from egypt to paris*), the Eiffel Tower in paris, The Obelisk in 'st. peters square' at the **Vatican** (*which was also physically moved from Egypt*) plus **countless others** All Over the Nations of the earth. *One site which shows many more: <http://tinyurl.com/khnnbf7>*

Obelisk of 'st. peter'
Square Plaza,
Vatican, Rome

We also see this **same image and meaning** reflected in All of the **church steeples** all over the earth, as they represent the **Exact Same symbolism**

People in **All** of the churches with either steeples or a regular obelisk, are **literally worshipping at the phallus of Ba'al.**

Obelisk on the American Baptist Theological Seminar Building
Nashville, Tennessee

Then they call upon '**The LORD**' which '**LORD**' has been inserted into most modern bibles, is Literally the name "**Ba'al**". People don't even realize whose temple they are worshipping in, nor who's name they are calling upon, and Most DON'T WANT to KNOW!

Yahuah was NEVER to be called '**LORD**' / **Ba'al.**

Thus again, which is why the Word states:

Mt Calvary SDA
Tampa Florida

Hoshea/Hosea 2:16 *And it shall be in that day, says YHWH, that you shall call Me Ishi-My Husband; and shall **no more call Me Ba'ali-my lord.** 17 For I will take away the names of **Ba'alim** out of her mouth, and they shall no more be remembered by their names. (Note: "Ba'ali" means 'My lord' where "Ba'al" just means 'lord'. Also Ba'alim is plural - speaking about **All** of the pagan names/titles: i.e. lord, god, jesus, christ, chirstos, etc etc.)*

The **Obelisks of Ba'al** is again repeated and seen all over the world, in the 'modern' **sky scrapers**. As men have always been trying to construct the tallest "**Tower of Babel**" which now litters the face of the earth. All of which is in the same symbolism of Nimrod's Phallic Obelisk. *Another site which shows more*
<http://tinyurl.com/lq7ouzr>

All of these Symbols (Obelisks, church steeples, skyscrapers, and more) mentioned above, back into Nimrod and his **Tower of Babel/Babel**, which **Yahuah Destroyed**.

Now with **ALL** of these Countless Multitudes of 'Obelisks' sticking up toward Yahuah's Face All Over the Earth, the destruction seen in that day, and **far greater destruction**, is about to be **repeated again** by **Yahuah in these last days**.

MORE ABOUT TAMMUZ – DUMUZID

Tammuz was killed by a wild boar when he was 40 years old, and all of his worshipers sorrowed over him greatly, as he was supposed to have been the 'sun-god' **Ba'al** reincarnated. But even though this is the '2nd time' he had died (*remember Nimrod was the 1st Ba'al to die*) they said that he was 'resurrected'. So it became a yearly ritual and story that he lives, dies, and is resurrected again each and every year. And every year at the time of his 'death' it became a tradition to '*weep for Tammuz*', and we see this written in:

Yechezkel/Ezekiel 8:14 "Then He brought me to the door of the gate of YHWH's Bayit/House which was toward the north; and, see, there sat women **weeping for Tammuz**. 15 Then said He to me, *Have you seen this, O Ben/Son of-adam? Turn again, and you shall see **Greater Abominations than These**.*"

Today this remembrance and "*weeping for Tammuz*" has become known as "**Lent**" which is the 40 day period (*excluding the 6 sun-gods days of 'sun-day'*) from 'Ash Wednesday' to '**Easter/Ishtar's Day**! One day (40 Days) for each year of the life of Tammuz (40 Years). Again this 40 Days **did not include** the **6 'regular' worship days of 'sun-day'**, as they were already worship days. These **40 days** was **In-Addition** to those 'sun-days', so it is for a complete total of **46 Days**. (*The 40 days + 6 Sundays that occur during that time period*).

Moloch – *Molech, Molekh, Molok, Molek, Molock, Moloc, Malkum, Melqart, Melkart, Milk, Melqarth, Chiyun, Remphan, Derphan, Kronos/Cronus (father of zeus), Saturn (the roman deity), Zeus,* and others.

Earlier we mentioned that after the death of Nimrod, **Ishtar/Semiramis** met with the **priests of Moloch** (*who were also called the druids*), and together they declared that Nimrod had ascended and become the sun-god **Ba'al**.

Many times **Moloch** and **Ba'al** are **used interchangeably**, are both the '**gods of fire**', and are worshipped in nearly identical ways. However **Ba'al** (*and his many other names*) is always referred to as the **sun-god**. **Moloch**, is often referred to as a **sun-god**, but he is also widely referred to as the **god of Saturn**.

Moloch from ancient times, is usually depicted as having a body like a man, and a head like a bull. In the photo to the right, is a depiction of Moloch in Iraq. Note the '**sun**' sphere with rays above his head, depicting him as being a '**sun god**' just as is Ba'al. Moloch was a deity to which child sacrifice was the "normal" offering. The deity's construction was actually centered on the sacrifice of children. History states, for each culture who worshiped Moloch, he was built to either hold a large fire underneath him, or so that a **large fire** could be built directly inside of his body. Either

way, he was constructed with a **large stomach area** so as to have the capacity to **accept multiple sacrifices** in rapid succession (*one after another*). There are records which state he was constructed so that when the fire was hot enough, it would begin to cause his metal structure and out stretched arms to glow red with heat. Once he was glowing red, the people would go before the image of **Moloch** and His Priests, and give their '**List of Prosperity/Desires**' or they just asked for '**general Prosperity for their family**' for the next year.

In return for '**Moloch**' to grant their petition, they would give him a child, usually their first born, to the **Priests of Moloch** (*aka Druids*), who would take the child and lay them in red hot arms of Moloch.

Once laid on his arms, the worshipers would pull chains that would cause the arms to raise the child toward the body, which rolled them into a cavity inside the metal body of **Moloch**, and into the heart of the fire, literally burning them alive as a sacrifice. The arms would then be lowered again, made ready for the next child. Later, the ashes or other remains of the children would be taken by the families, and they would be placed into or under the foundation of their house, as an 'omen' to bring the family 'prosperity and good fortune'. This is what the Word referred to as 'passing your children through the fire'. Countless children were sacrificed to the 'fire god' in this manor, one after another. Again, this has been done by many different pagan religions and cultures all around the earth.

This child sacrifice to Moloch is written about in several places in the Word:

Melechim Bet/2nd Kings 23:10 And he destroyed Topheth, which is in the **Valley of the Children of Hinnom**, that **no man** might make **his son**, or **his daughter** to **pass through the fire to Molech**.

Yirmeyahu/Jeremiah 32:35 And they built the **high places of Ba'al**, which are in the **Valley of the Son of Hinnom**, to cause their **sons and their daughters** to **pass through the fire to Molech**; which I commanded them not to do, neither came it into My mind, that they should do this abomination, to cause Yahudah to sin. (Here we see **Moloch** being worshiped in the 'High places of **Ba'al**)

Maaseh Shilichim/Acts 7:16 And they left all the mitzvoth/commandment of YHWH their Elohim, and made molten images, even two calves, and made an Asherah, and **worshipped all the hosts of the shamayim/heavens**, and served **Ba'al**.

17 And they caused their **sons and their daughters to pass through the fire**, and used divination and enchantments, and sold themselves to do evil in the sight of YHWH, to provoke Him to anger. (They 'worshipped the hosts of heaven' & 'passed their children through the fire' to **Ba'al**.)

WHAT OR WHO IS THE MODERN INCARNATION OF MOLOCH?

There are Two Modern incarnations of Moloch. Lets talk about the most popular one first:

Lets run down Moloch's main characteristics again:

- He's big
- Has a large stomach
- He is a fire deity
- He Glows Red when he is ready for his sacrificial offerings
- He is brought lists of 'Desires' or is asked for 'Prosperity'
- Children are placed in his arms by the Priests of Moloch, and are sacrificed to him in return for the Desires or Prosperity

Sound like anyone you have heard of?

That's Right, There is some one that almost every person on this earth today, knows who does all of these things. It's the false pagan idol: '*Sinterklaas*', '*saint nicholas*', '*father chr-stmas*', '*kris kringle*', and known the world over as '**Santa Claus**'.

I can almost hear the people out there who are just about to bust a blood vessel, or who are gasping at such a '*notion*' that their '*harmless*' observing/worship of '*christ-mas*' and **satan**... I mean "**santa**" ... that it has anything to do with **Ba'al** and **Moloch** written about in Yahuahs Word.

Well, we've went over all of the other facts about the '*chirstmas tree*', the '*wreath*', and how they are All in Direct Worship to **Ba'al** and **Ishtar/Easter**. We went over Tammuz and how he is connected to lent and easter (*pagan holiday*).

We also went through all the basis of **Moloch** (*Another of Ba'als many aliases*), and His basic characteristics and Worship. So, let's compare the basic characteristics list we made earlier about **Moloch**, to '**Santa Clause**'.

Moloch	'Santa Clause'	
He's big	Santa's big - You never see a 'small' or 'short' santa	<input checked="" type="checkbox"/>
Has a large stomach – as it is a fire chamber	Santa is <u>Always</u> Fat – he has a large stomach	<input checked="" type="checkbox"/>
He is a <u>fire</u> deity	Santa <u>Only</u> enters a house by coming down the <u>chimney</u> , which since it is on dec 25th (<i>Ba'al birthday</i>) it's a time when the fire place is burning	<input checked="" type="checkbox"/>
When <u>Hot enough</u> , the steel Glows Red and then he is ready for his sacrificial offerings	Santa <u>always</u> wears a Red Suit (<i>now you know why...</i>)	<input checked="" type="checkbox"/>
When performing the sacrifice, they place the child in Moloch's arms and then give him their lists of ' <i>Desires</i> ' or they ask for ' <i>Prosperity</i> '	When a child is brought to Santa and placed in his arms, they give him a list , or he is told all the desires, either stuff and/or money.	<input checked="" type="checkbox"/>
Children are placed in his arms by the Priests of Moloch, and are sacrificed to him in return for the Desires or Prosperity	Parents give their children to ' <i>Santa's little helpers</i> '/' <i>Elves</i> ', and they place the child into Santa's arms to sit on his lap, and sacrifice them spiritually to satan. And in return Santa 'grants' the desired gifts.	<input checked="" type="checkbox"/>

So, yes it is easy to see (to anyone awake and willing to accept blatant facts) how 'Santa Clause' is the new modern (the last couple centuries) version of the false god Moloch.

Who all dressed in red, receives all of the desires by letter, list, and in person, from

the children who are sacrificed in his arms. And then on the pagan day of **dec 25th**, Nimrods (and all of his aliases) birthday, he goes down the smoking chimney of each house, and leaves 'his gifts' under the Nimrod Phallic tree.

Of course over time, other 'attributes' was added and such, to make him seem more acceptable to the time period, culture, and common religions. Just as has been done with the other pagan deities and pagan holidays, like 'easter', which is the Day dedicated to Nimrod's wife Ishtar. Originally, all 'ishtar eggs' were painted red... as red was the **only color** they could get from the **blood of children**, whom they killed and sacrificed, so they could use their blood to paint the eggs which showed her 'fertility' rights as the wife, and then mother, of the 'sun-god'. But I digress...

A LITTLE MORE ABOUT THE PAGAN DAY OF DECEMBER 25TH

We've already went over how **dec 25th** was the 'birth' and 're-birth' day of Nimrod and the many other names that he went by, as deities of many cultures. However, there is much more to **dec 25th** than this.

In the day of Julius Caesar, when he began to use the Julian Calendar, **dec 25th** was the approximate date of the winter solstice. From **dec 17th – 23rd** the roman citizen and slave celebrated a major festival called 'Saturnalia'. It was a celebration as a 'festival of light' which leads up to the winter solstice. On **dec 25th** the day of the winter solstice,

the romans held a festival called '*Dies Natalis Solis Invicti*' which means "the birthday of the unconquerable sun". Once again a clear connection to **Nimrod**, who to the romans was known as **Saturn**, which was their sun-god and main deity, by which their culture revolved around, and who was being worshipped during this entire festival.

SPEAKING OF SATURN...

The city of **Rome** was originally called "**Saturnia**" which means "**City of Saturn**". They named a "**wandering star**" after their sun god, and even today this "wandering star" or "planet" is still known by the name **Saturn**. This "planet" became the '**star of their god Saturn**' (also called by other cultures by the names of *moloch, chiyun, remphan, derphan*, as mentioned in the Word, among many other names).

They also dedicated a day to Saturn, and they called it '*dies Saturni*' which translated is '*Saturn's day*' which later was shorted to '**Saturday**'.

So today in modern times, we have what everyone calls the '**week end**' when people are more worried about partying and doing the things of their desire, that they can't do during the other 5 days when working.

This '**weekend**' is also the two major days of worship of the false pagan deities, **Saturday** is worship to **Saturn/Moloch**, and **Sunday** is the worship to **Ba'al**. Oh and don't forget **Friday**, it can be traced back to the worship to none other than **Aphrodite aka Ishtar**.

So in these ~~modern times~~ **Last Days**, we have the **muslims** worshipping on **friday**, the **jews and messianics** on **saturday**, and the **christians** on **sunday**.

Meaning we have the **3 biggest false religions** on the face of the earth today, worshipping the **Whole Family of Nimrod**, **3 days out of every week** on the pagan roman calendar.

And all **3 days are ultimately worshipping satan**, as he is head and source of **ALL** the false deities, and it is **his pagan calendar** on which they are being worshipped, which he influenced man to create **in rebellion to Yahuah**.

Now we have many so-called 'leaders' and sheeple (*people blindly following*) who are professing a '**Solar Only**' Calendar (*the false 'enoch' calendar included*), claiming that it proves '**saturday**'.

Well... They are **Absolutely Right!** The **Solar Only** Calendar **DOES** prove **Saturn's Day!** As **the Solar Only Calendar** was created to worship **ALL** the **Sun Deities!** And **saturday** is for a certain fact, in honor of **Saturn**, which is one of the many names of **Moloch**.

So Yes, there are plenty of **Ishtar, Moloch AND Ba'al** worshippers in these end times.

Some may be keeping **Molochs** day because they 'think' it is the 'real Sabbath', not understanding it is just another false pagan sun deity worship day, because they have not heard of **Yahuahs True Calendar Written in His Word**, (*which has TWO Witnesses, the Sun AND Moon*) nor His True Shabbat.

My Abba and Eema did this for 20 years, as they were keeping the Sabbath to the best of their knowledge at that time. But **then** Yahuah taught my Abba His True Calendar, and we've been keeping it now for nearly 18 years. If you still believe that '*Saturns Day*' is Yahuah's Shabbat, then you **NEED** to do a **Lot of Studying**, and find out the truth. A good place to start to build the foundation from Yahuah's Word, on what is His True Shabbat is the teaching document that my Abba/Father Wrote titled "**Restoration of the Scriptural Sabbath Day and the Lunar-Solar Yearly Calendar**"

Link: http://www.yhrim.com/Teaching_Documents/Restoration_of_the_Scriptural_Sabbat_Day_-_Updated_11-5998sc.pdf

But many people (*some who even were taught and kept Yahuahs True Calendar for a short time, then left it and went back*) have continued to keep, teach, and lead others into the false pagan worship of the pagan **Day of Saturn "saturday"** in **Total Rebellion**, because it is easier to keep in this Babylonian system. (*Which of course it is easier keep, because it is part of Babylonian Worship!*) Claiming all along, that they '*left sunday behind because it's the 'suns day'*' yet they continue to keep '*saturns day*' a day in worship to the sun-god **Saturn/Moloch**.

THE 'OTHER' MODERN DAY MOLOCH

I'm just going to try to keep this part short...

Moloch is still worshipped today, even by Name. Most of the World's so called '*elite and satan worshippers*' still worship and sacrifice to '**Moloch**'. Even child and other human fire sacrifices have continued un-opposed, but only witnessed by the members of their secret societies.

What has changed is what Moloch looks like. Instead of being a man's body, with the head of a bull, which is very obvious. They have changed him into the image of an 'owl'.

The short version is: Because an Owl can turn its head all the way around, meaning it is '**all seeing**'. And an Owl has become an image of '**being wise**' or '**illuminated**'. Which is

the two main ideas behind the '**illuminati**'.

The image of the 'owl' **Moloch** is seen everywhere in today's society, but like the image of the 'all seeing eye', the vast majority of people do not even notice it. Even on the U.S. One Dollar Bill, as seen here, there is a tiny image of an owl, representing **Moloch**.

The 'all seeing eye' on the back of the dollar, is **not hidden at all**, and **still yet people think nothing of it**.

Like the 'All Seeing Eye' which has become the logo of many million and billion dollar corporations, tv networks, multitudes of companies, and more (a few seen right). And is also seen in movies, tv shows, music videos/album covers, news, etc etc etc. Once you know what to look for... It is Literally **Everywhere**

(for more see this google search link: <http://tinyurl.com/nc8xpjt>)

The 'Owl' Symbol of Moloch is also seen everywhere as well, like the mazda automobile logo, seen left.

You also seen many singers, actors, and many, many politicians, especially heads of state, (presidents, prime ministers, etc) around the world, use is the 'Owl' hand gesture. To the right are photos of both former president George Bush and former president Bill Clinton using this hand gesture, which nearly all US presidents, most "leaders" of all nations, big actors and musicians, popes, most false preachers, and many many others can all be found using this same sign, along with several others.

This hand gesture also represents the 'Goat Head', which is another major symbol representing **satan**. The 'Goat Head' is also represented by the **Real 'pentagram'** which is a **5 Pointed Star**, usually inverted. Both of which can be seen here in the diagram to the left. This 5 pointed star can also be seen in the GOP (republican) logo seen right.

Speaking of the Word '**Pentagram**'. This is derived from the greek '**penta**' meaning '**5**'. This is also seen in the translated word '**Penta-cost**', which means '**50**' or '**50 Days**'. Another example is the '**Pentagon**' meaning '**5 sides**'.

Speaking of the 'Pentagon' building in D.C., which itself is a pentagram made into a building, at the center of the pentagon, is a garden. The ground breaking ceremony for building the Pentagon, was on **september 11th 1941**. At the center of the Pentagon, is an open park like area, called '**Ground Zero**'. What is at the center of '**Ground Zero**'? **Moloch**! As seen in the photo to the right.

Here is an article from the History Channel with more about the Pentagon: <http://tinyurl.com/ongxpm6>

In Bohemian Grove California, many heads of states, presidents, congressmen, etc etc etc etc, over many years, have met there and worshipped Moloch in many different types of satanic worship and sacrifice. One such photo of this worship is seen at the right, showing the 40 foot statue of Moloch, with the sacrificial alter in front.

As seen in the photo to the left, Image of Moloch with former U.S. president George W. Bush.

Even the layout of the streets surrounding the U.S. capital building (seen right) were designed to form Moloch in his "Owl" form. Streets all around Washington D.C., the White House, the Washington Monument, and other buildings, were also designed to form other images, such as the 5 pointed pentagram.

This document could continue on and on, and show hundreds of pages of material showing all of their pagan symbols, origins, worship, and how it is hidden in plain sight, and sometimes not hidden at all, all over the earth in these last days.

But for time's sake, and to sum this up, we are going to continue to the point of this teaching document:

THE PLAIN & SIMPLE TRUTH ABOUT THE 'STAR OF DAVID'

To understand what is called the 'Star of David', we must first understand **WHY** is it called the 'Star of David' in the first place. As there is **NO Evidence** which shows that David **nor** Solomon Ever used this symbol. Nor that it was even used during that time period. *And there is a good reason why which we'll go into in a few moments.*

The simple reason of why it has been called the 'Star of David' or the 'Shield of David', is actually Very Simple, but due to changes in the Hebrew Language has become hidden.

Originally "Davids" name was pronounced as 'Daood' with the 'oo' sound. As there were no 'V' or 'Vav' sounds in Hebrew. The 'Vav' sound was added later, along with many other **Intentional** changes (*nikkud "vowel dots" etc*) by the modern day "pharisees" to add confusion and obscure the true pronunciation and meaning of many words and names.

King Davids name in modern Hebrew is written as: **TIT**

Which is the Hebrew Letters:

Dalet "T"

Waw ("oo" sound) "I"

Dalet "T"

If you want to confirm this for yourself, you can simply go to google translate **Link:** <http://translate.google.com/>, and type 'David' in the box left side. Then change the language to Hebrew for the 'translate to' box on the right side, and it will translate it as:

TIT

However, we know that what is called 'modern Hebrew' is **NOT** the original Written Hebrew Language. But is rather an Aramaic alphabet which Yisrael borrowed and adopted while they were in captivity in Babylon for 70 years.

The original Written Hebrew is what is now known as '**Paleo Hebrew**' or '**Ancient Hebrew**'. The Paleo Hebrew Alphabet can be seen in the photo to the right.

The Paleo Hebrew written language was a **pictorial type alphabet**. In other words **simple images** were used to create words, letters, **OR Meaning**.

Keep this in mind, as it is very important.

In the Paleo Hebrew, Daoods name is written as: **ΔΥΔ**

Which is the Paleo Hebrew Letters:

Dalet " Δ "

Waw " Υ "

Dalet " Δ "

The Dalet was a '**picture**' of a door, *not as most of us think of as a rectangular door*, but rather like a '**tent door**' Δ. This is true even today in modern Hebrew, the Dalet is still symbolizes a '**Door**'.

The Dalet is also promptly seen in the name of the Tribe of Yahudah: **ΔΥΔΔΔ**

Which if you '**go through**' the Dalet/Door, we then find the name of Yahuah **ΔΥΔΔ**

When Yisrael was under the rule of David and Solomon, **ALL 12 Tribes** were together as The '**One**' House of Yisrael. After Solomon died, Yahuah divided Yisrael into **TWO Houses**.

Sometime **After** this split occurred, (*as remember there is no evidence that this symbol was used by David nor Solomon or even during that time period*) those who were truly serving Yahuah, knew that one day He would Re-unite Yisrael back into **One Restored House**.

Looking forward to that Day of Restoration, and looking back to when Yisrael was still One House before it was divided. Someone looked to the name of **Daood** who was the righteous King who ruled over **Both** Houses before they were split. And they took the **TWO** Dalets Δ in his name and placed one on top the other (*as I have done to the right using two colors for clarity*) to create a '**picture**' of when the **Two Houses of Yisrael** are Restored back together into **One House**.

In reality the 'Star of Daood' is actually a symbol showing when Yisrael is Restored into One House – One Stick, in the Hand of Yahusha ha Moshiach.

This is also seen in the flag of the 'State of Israel', as I've shown below, even though it may not have been what the designers intended:

This is the reason that satan hates this symbol so much, and in turn tries to steal it and demean it every way possible, because it embodies what is written in:

Yechezkel/Ezekiel 37:15 The word of YHWH came again to me, saying, 16 Moreover, you Ben/Son of-adam, take one piece of wood, and write upon it, For Yahudah, and for the children of Yisrael his chaberim/companions: then take another piece of wood, and write upon it, For Yoseph, the piece of wood of Efrayim, and for all Beit Yisrael his chaberim/companions: 17 And join them one to another into one piece of wood; and they shall become echad/two being made one in unity in your hand. 18 And when the children of your people shall speak to you, saying, Will you not show us what you mean by these? 19 Say to them, This says the Master YHWH; See, I will take the piece of wood of Yoseph, which is in the hand of Efrayim, and the tribes of Yisrael his companions, and will put them with the piece of wood of Yahudah, and make them one piece of wood, and they shall be one in My hand. 20 And the two pieces of wood on which you write shall be in your hand before their eyes. 21 And say to them, This says the Master YHWH; See, I will take the children of Yisrael from among the gentiles, where they have gone, and will gather them on every side, and bring them into their own land: 22 And I will make them one nation in the land upon the mountains of Yisrael; and One Melech/King shall be Melech/King over them all; and they shall be no more two nations, neither shall they be divided into two malchutim/kingdoms any more: 23 Neither shall they defile themselves any more with their idols, nor with their detestable things, nor with any of their transgressions: but I will save them out of all their dwelling places, in which they have sinned, and will cleanse them: so shall they be My people-Ami, and I will be their Elohim. 24

And Daood My Ebed/Servant shall be Melech over them; and they all shall have One Shepherd: they shall also have their halacha/ways in My mishpatim/commandments, and observe My chukim/ordinances, and do them. 25 And they shall dwell in the land that I have given to Yaakov My Ebed, in which your ahbot/fathers have dwelt; and they shall dwell in it, they, and their children, and their children's children le-olam-ba-ed/forever: and My Ebed/Servant Daood shall be their Nasi le-olam-ba-ed. 26 Moreover I will make a brit/covenant of shalom with them; it shall be an everlasting brit/covenant with them: and I will place them, and multiply them, and will set My Kadosh- Place in their midst le-olam-ba-ed/forever. 27 My dwelling place also shall be with them: And, I will be their Elohim, and they shall be My people-Ami. 28 And the gentiles shall know that I YHWH will set Yisrael apart, when My Kadosh-Place shall be in their midst le-olam-ba-ed/forever.

When this takes place, satan is totally defeated in his quest to destroy Yisrael, which he has been attempting to do since he got Cain to kill Abel. He has always been at war with the True Promise Seed of Yisrael, those who are Truly Worshipping and Serving Yahuah with all their heart and strength.

This is why satan has **STOLEN**, let me repeat that, **STOLEN** this symbol and made every attempt to try to pervert it and turn everyone against it. Just as he stole the rainbow and has perverted it into a symbol for the sodomites (*even though it is actually a symbol showing their destruction!*)

In Nazi Germany, its easily known that the nazi's hated it as it was the symbol of their created 'enemy'.

But do you not think that the 'jews' also began to hate it as well, since they were forced to wear it on all outer garments at all times, as a way of identification (*an actual sow-on patch see right*), by which they were singled out at all times and continually persecuted?

Has this symbol at times been used in pagan or satanic worship, usually with it being placed inside a circle? **Yes**, because it was **STOLEN** and perverted by satan hoping that true Yisrael would throw it away calling it 'satanic', by which they are also throwing away a symbol of the promise that Yahuah will Restore Yisrael Into ONE House, and bring them back to the Land of Restored Yisrael.

So if a "Symbol" is not the "star of moloch", then what is the Scriptures referring to? We've already read it earlier:

Maaseh Shilichim/Acts 7:16 And they left all the mitzvot/commandment of YHWH their Elohim, and made molten images, even two calves, and made an Asherah, and **worshipped all the hosts of the shamayim/heavens**, and served **Ba'al**.

17 And they caused their **sons and their daughters to pass through the fire**, and used divination and enchantments, and sold themselves to do evil in the sight of YHWH, to provoke Him to anger.

Maaseh Shilichim/Acts 7:43 Yes, you took up the **tent of moloch**, and the **cochab/star of your mighty one remphan (derphan in the pershitta)**, and made images to worship: and so I will carry you away beyond Babel/Babylon.

Ahmos 5:26 But you have borne the tabernacle of your **Moloch** and **Chiyun** your idols, the **cochab/star** of your elohim, which you made as an idol for yourselves.

The Word **Cochab** (usually written as "chochav" or "kochav" today) literally means **"star"** as in a "star" that a person sees when they go outside and look up at a clear night sky. Then combine this with **Maaseh Shilichim/Acts 7:16** where it states that the Ba'al worshippers worship **"...all the hosts of the shamayim/heavens..."**, we can easily understand that they were actually worshipping a **"star"**.

That star, as we stated earlier, was the same star as the roman's named **Saturn** which was their name for **Moloch**. And in turn was who they named the day of the week after **"Saturn's day"** later shortened to **"saturday"**.

And this was where, at some point in the following century or so after Moshiach was crucified and resurrected, that the pharisees threw away Yahuah's calendar all together so they could fully embrace the roman calendar, as they even looked to the romans as the "legit" leadership in the days of Moshiach.

So the **pharisees adopted** the **romans saturday worship** to **Saturn/Moloch**, which still continues rampantly to this day in "judaism" and all those who follow it or parts of it.

I hope that this document has opened the eyes of all of those who read it, to not only the **Simple Truth about the 'Star of Daood'**. But also to a few out of the Multitudes of Real **Pagan symbols** that are in front of every person's eyes, each and every day, **which most people don't blink an eye at**.

And also the **Real False Pagan Worship** of **friday, saturday, and sunday**, that is being done to **Worship the Entire Family of Nimrod** and his many other names, ~~even today~~ especially today in these end times. All of course being conceived and pushed using men, by satan. As the entire pagan roman calendar, and its main days of worship, **friday, saturday, and sunday**, is in honor and worship to **satan**.
